Class—The numerals 1, 2, 3, and 4 indicate the freshman, sophomore, junior, and senior classes respectively. The actual number of semester hours credited to each student on September 18, 1928, is shown by the numbers in parentheses. By general rule, all students with fewer than 30 hours credit are classed as "1"; with more than 30 but fewer than 60, as "2"; with more than 60 but fewer than 94, as "3"; and with 94 or more as "4." This classification does not bear any relation to the requirements for graduation set by the several departments. In the case of law students the hours earned in the law school are given instead of the total hours. Students transferred from other institutions, whose credit in hours has not been determined, are indicated by "Tr."

Address—Residence in Champaign is indicated by "C"; in Urbana by "U."
